Call to Worship

written by Christine Sine

God who is One, You call us to be one,

May we be one with all who are made in Your image.

God who is Three, You call us to be community,

May we find community with all who are called by Your name.

God who calls us all by Your name,

May we find our place in Your eternal family.

Today by the power of Your spirit we unite in prayer,

We unite with sisters and brothers

from all Christian churches and denominations,

We unite with all who are joined by the holy spirit of God.

We unite with followers from every church and congregation,

We unite with God's sons and daughters

from every creed and culture. *Amen.*

Hymn of Praise

#433, *Rise Up, O Church of God*

Opening Prayer

God of all people, you call us together with our different gifts, our different ideas, our different tastes.

You call us together to share what makes us special, to build each other up, to serve each other in love. You call us together knowing that we need all parts of the body if we are to be whole.

You call us together to sing, to pray, to listen, to speak. To be refreshed so that we can go out and serve.

You call us together in the name of love, in the name of the One, Your son, Jesus Christ. *Amen!*

Blessing of the Bread & Wine

The Lord's Prayer

Our Father, who art in heaven, hallowed be Thy name. Thy kingdom come; Thy will be done on earth as it is in heaven. Give us this day our daily bread and forgive us our trespasses as we forgive those who trespass against us. Lead us not into temptation, but deliver us from evil, for Thine is the kingdom, the power and the glory for ever and ever. *Amen.*

Communion

We receive the Lord's Supper by intinction. A communion server will hand you a piece of bread, representing the body of Christ, which you dip in the cup, representing the blood of Christ. All are welcome at the Lord's Table.

*Gluten-Free wafers available upon request **All of our communion wine is non-alcoholic

Closing Prayer

written by John van de Laar

The image you have shaped within us,
mysteriously,
incredibly,
a reflection of your own Being,

Is best seen in the multiple refractions,
of our variegated humanity;
in the prismatic kaleidoscopes,
of our shared life,
our interconnectedness,
our being with each other.

We seek you, God, we long for you
and, thankfully, you are not far off
not hidden;

We need only remember
that you are most easily found
when we find you together,
and when we are humble enough to look
even in the faces we find most strange and unfamiliar. *Amen.*

Closing Hymn

WS #183, *One Bread, One Body*
