Realignment – Part 4

The Power of God

Senior Pastor Robert de Wetter

1. On the next clear night, spend some time looking at the night sky. Read the creation story in Genesis
1. What do these two things tell you about God's power?
2. Jesus demonstrated God's power through everything he did. We also know that God's power raised Jesus from the dead. Jesus promised that His Spirit, in other words the power of God, can be found within each of us. What might change if you fully embrace the truth that God's power is within you waiting to be tapped?
3. What gets in the way of letting God's power into your life? What makes it hard to let go and let God?
4. God, I pray that when it comes to your power in my life, help me to say whenever, wherever, however, and whatever. What might happen if you embraced such words?
